

DECLARATION OF CONFORMITY NO. 24002 FOR **MERABELL CLASSIC & PROFI AQUA PIPING SYSTEM**

Corrugated flexible hoses with/without sheathing, nuts, fittings and gaskets designed for drinking water distribution systems with an operating pressure up to 16 bar, available in following sizes: DN8, DN12, DN15, DN20, DN25.

The Declaration of Conformity also applies to pipe processing tools—lever press, radial press adapter, pipe cutter and sheathing cutter.

This declaration of conformity also applies to all variants of finished products **MERABELL READY!** made of these components.

Declaration of Conformity

The MERABELL declares under its full responsibility that the MERABELL CLASSIC & PROFI AQUA piping system, to which this declaration applies, meets the requirements set forth in Government Regulation No. 163/2002 Coll., as amended. All the components of the piping system are safe under the conditions of their intended use. Necessary measures have been taken so as to ensure the compliance of all construction products placed on the market with its basic requirements.

The compliance was assessed by the authorized body No. 224 – Institute for Testing and Certification, a.s., Tř. Tomáše Bati 299, 763 02 Zlín

Product Certificate No.: **18 0663 V/AO**
Construction Technical Certificate: **STO AO 224-932/2018/a**
