# STAINLESS STEEL PIPE **READY!**

SAVE YOUR TIME AND EFFORT

# SAVE YOUR TIME AND EFFORT

## PREMIUM MATERIAL

The piping is made of robust surgical steel that can never crack under normal use.

## UNIVERSAL FOR WATER AND GAS

The piping is certified for all media. One pipe connects the drinking water, heating and gas.

## BENDS BY HAND ONLY

The piping is flexible yet dimensionally stable. Therefore, it can be easily bent to the required shape using only one hand.

## BARGAIN PRICE

The price of the "finished" MERABELL READY! is the same as if you make it yourself from 3m coil of MERABELL CLASSIC pipe, 2 nuts and 2 gaskets → you pay nothing for cutting, pressing and assembly, which we have done for you. Save your precious time!

*Sample calculation on the reverse side*

## PREFORMED JOINT

The end of the pipe is equipped with a perfectly smooth cap. A nut and a flat seal are already pressed on each end of the pipe.

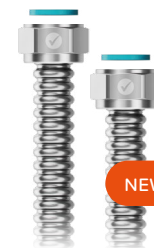

**5 YEAR WARRANTY**

The flexible all-stainless steel pipe MERABELL READY! is completely ready for quick and easy connection of boilers, heaters and other appliances. You can easily shape the required connection by hand without the need for tools. The piping is made of surgical steel and certified for drinking water and gas.

## Ø DN8 • G3/8"

|       |        |          |
|-------|--------|----------|
| M0401 | 30 cm  | 5.74 €*  |
